

VACANCY : WOOD SUPPLY COORDINATOR

Fiji Pine Limited owns and manages about 84,000 hectares of Pine Land around Fiji.

We are seeking to recruit experienced, highly motivated and dynamic person for the following position: **Wood Supply Coordinator (x1)**. This position will be based at the FPL Drasa Office.

Responsibilities

This will involve:

- Planning harvesting operations in accordance with sustainability practices and in compliance with the relevant laws.
- Overseeing of wood supply operations ensuring a high level of consistency in wood supply.
- Ensuring that there is zero wastage of wood and compliance to product mix ensuring that the value of logs is maximised.
- Managing harvesting and cartage service providers.
- Verification of PHI's against actual weighbridge data and providing reports.
- Managing forward roading.
- Forest stock verification.
- Developing wood supply procedures manuals.

Qualification & Experience

The successful candidate must have the following prerequisites:

- Diploma in Forestry or at least 5 years of relevant work experience.
- Demonstrated ability in carrying our responsibilities as set out above.
- Team player, highly motivated, proactive and innovative.
- Display strong attention to detail and accuracy.

Excellent communication skills combined with the ability to work in a challenging environment is essential.

Applicants should write in by Friday, 13th May, 2022 with a comprehensive resume to the following link <https://fjipine.com.fj/careers/>
